Goodmorning Lois,

Is this the 108b page that the notification should be posted to? I think you said you would handle it, but I know we were both swamped with Gold King Mine and I have a free second, so just let me know if this is the right place and I'll put in a web change request.

thanks!

Hi Melissa,

We've just received the webinar registration link for the upcoming CERCLA 108(b) webinar. Can you help me advertise this webinar on the 108(b) page? We'd like to suggest adding a sidebox that looks like this:

**Upcoming Webinar**

**Join EPA for a webinar on the CERCLA 180(b)  
Proposed Rule for Hard Rock Mining**

**September 10<sup>th</sup>, 2015**

**2:00pm-3:00pm EST**

**Register for the webinar today!**

The hyperlink should go to this location:

Please let me know if you have any questions.

Thank you!
